## General Overview

I am a 17-year-old student, born in Acquaviva delle Fonti (BA) on April 17, 2008. I'm currently enrolled at IISS Colamonico-Chiarulli, specializing in Computer Science and Telecommunications.

## Skills

- **IT Skills:** Proficient in HTML, C, C++, Python; experienced with Word, Excel, and PowerPoint.
- **Language Skills:** Native Italian speaker; basic proficiency in English and Albanian.
- **Fundamental Knowledge:** Basic understanding of finance and marketing.

## Education and Training

2018 - 2021 | ISTITUTO COMPRENSIVO "PEROTTI-RUFFO"

### Junior High School Diploma

2022- | IISS COLAMONICO CHIARULLI

### 3 years of High School - Computer Science Section

## Personal Profile

I am a student passionate about computer science, soccer, and finance, with a strong curiosity towards technological innovation and the world of sports. I have developed an interest in programming and in the economic mechanisms that regulate the sports sector, especially soccer. Determined to transform these passions into a future career as a computer engineer or a professional in sports finance.
